

We have a batch of fresh Ukrainian craft beer straight from the Pravda Beer Theatre in the heart of Lviv. Alongside bottles we now have a select number of beers available in KeyKeg, meaning this is your chance to get your hands on some of the first ever Ukrainian draft beer to be served in the UK

## Putin Hyuilo

**A dry hopped golden ale loaded with Saphir hops providing citrus aroma and flavour to this well balanced ale**

*Available in bottles (24x330ml)*
